## A The FitLogic®

### A. FitLogic®

- Revolutionary browbar self-adjusts with spring-like action for a secure, but not harshly tight fit
- Patented nose piece rotates 360° and pivots left, right, in and out to precisely fit almost any nose
- Temple arms ratchet up and down, clicking securely into place, to contour-fit almost any cheek profile
- Temples lengthen with a precise sliding action for better fit and more behind-the-ear comfort
- Using patented MMT – Multi-Material Technology® and IMA – In-Mold Assembly Technology, soft materials offer extended comfort for all day wear
- Floating extended wraparound lens provides excellent ventilation as well as extra cheek and side protection
- Optically perfected polycarbonate lens blocks 99% of UV rays and are 100% dielectric
- Lifetime frame guarantee
- Made in USA
- Meets ANSI Z87+ Standard and military V<sub>0</sub> ballistic test regiment for impact

Part Number	Lens Description	Frame
