

## Welding Gloves

### TILLMAN™ The Brand Pros Demand

#### A. Top Grain Elk Welders Gloves

- Top grain elk, back and palm construction offers superior comfort and performance
- Elk molds to the shape of hands and stays softer under high heat conditions
- Naturally resistant to oils and moisture, so it won't crack or stiffen as quickly as cowhide
- 14" gloves feature cotton/foam lining on the back of the glove for added heat resistance and an unlined palm to maximize dexterity
- Cuffs are stiff cowhide to avoid rolling down or bunching up
- Fingers are welted and sewn with Kevlar® thread to protect seams
- Straight thumb design is best for gripping and is reinforced for longer wear
- Pull tab provides easy on/off and extra protection while dragging a welding gun
- Available in pearl or gold color
- Sold per pair

Part Number	Description	Size
TIL 850L	Golden 14" Elk Welders, Carded	Large
TIL 850XL	Golden 14" Elk Welders, Carded	XLarge
