

## Portable Eyewash Products

### A. Fendall 2000® Sterile Emergency Eyewash Station

- Delivers 100% sterile saline from a 100% sterile delivery system
- 24-month cartridge life (determined by date of mfg) saves time and money on replacements
- Arm/headrest provide user comfort, enabling better compliance
- Integrated waste containment to prevent spills
- Sleek assembly fits nearly anywhere and is highly portable
- Includes emergency eyewash sign, mounting bracket, installation DVD, tamper seal, and one year warranty
- **Sterile saline solution cartridge sold separately**
- Meets ANSI Z-358.1-2004 15-minute flush requirement for primary eyewash stations

Part Number	Description
FEN 32002000000	Fendall 2000® Sterile Eyewash Station
FEN 32ST20500000	Fendall 2000® Sterile Saline Refill Cartridge

### B. Fendall Pure Flow 1000® Emergency Eyewash Station

- Easy installation with no plumbing required
- Factory-sealed fluid cartridges eliminate mixing, measuring and the opportunity for airborne particles or microorganisms to contaminate the fluid
- 24-month cartridge life (determined by date of mfg) saves time and money on replacements
- Cartridges can be replaced in less than five minutes
- Unique nozzle design delivers a soft ribbon of buffered saline solution
- **Cartridges sold separately by the case**
- Meets ANSI Z-358.1-2004 15-minute flush requirement for primary eyewash stations

Part Number	Description
FEN 32001000000	Fendall Pure Flow 1000® Eyewash Station
FEN 32001050000	Fendall Pure Flow 1000® Saline Refill Cartridges 2ea/ca
FEN 32ST10500000	Fendall Pure Flow 1000® Sterile Saline Refill Cartridges 2ea/ca

### C. Fendall Porta Stream® II and III Primary Eyewash Stations

- 16 gallon capacity permits thorough flushing by providing 0.4 gpm over the entire 15-minute flushing period required by ANSI Z358.1-2004
- Flushing options include: saline concentrate - preserved, buffered, saline solution that you mix with clean, potable water (10:1 ratio) or water additive - 8 oz bottle mixed with clean, potable water is suitable for 14-16 gallons
- Saline concentrate requires 6-month maintenance cycles and water additive requires 4-month maintenance cycles
- Porta Stream® III is freeze-protected with an insulated cover and twin 600 watt, 110 volt thermostatically controlled heaters ideal for use between 72°F and -32°F
- Large fill hole with lockable cap to simplify refilling and cleaning and reduce the risk of possible tampering
- Nozzle strap is easily removed for hands-free flushing
- Dust cover available to keep basin free from dust and debris
- Universal cart provides quick, easy portability for all self-contained, gravity-fed emergency eyewash devices
- Universal eyewash stand is can be purchased for mounting to the floor or free standing

FEN 320005130000	Saline Concentrate for use with Porta Stream® II and III
FEN 320005020000	Premix Saline Solution for use with Porta Stream® II and III
FEN 320005170000	Dust Cover, Fits Porta Stream I and II (not shown)
FEN 320010600000	Universal Cart (not shown)
FEN 320010650000	Universal Eyewash Stand, for use with Pure Flow 1000® and Porta Stream® I, II, & III

### D. Fendall Porta Stream® I Secondary Eyewash Station

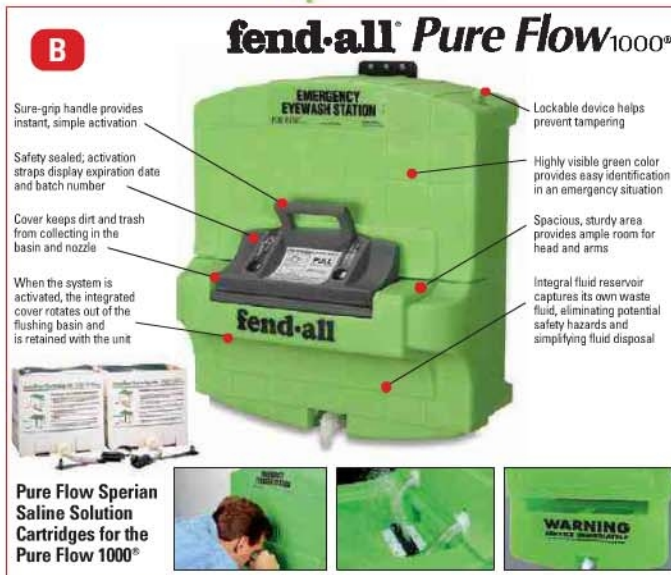

- Delivers 6 minutes of uninterrupted, hands-free flushing
- Intended to support, not replace, primary eyewash units
- Supplied with 70 oz of saline concentrate which, when mixed with tap water, provides 6 gallons of buffered, saline solution superior to tap water alone
- Saline concentrate requires 6-month maintenance cycles
- Large fill hole with lockable cap to simplify refilling and cleaning and reduce the risk of possible tampering
- Nozzle strap is easily removed for hands-free flushing
- Does not meet ANSI Z358.1-2004 15-minute flushing requirement

Part Number	Description
FEN 320001000000	Fendall Porta Stream® I Eyewash Station w/Saline Concentrate
FEN 320005090000	Saline Concentrate for use with Porta Stream® I

### E. Fendall Flash Flood® Secondary Eyewash Station

- Dual nozzles provide simultaneous flushing to both eyes for 3 minutes per cartridge
- Intended to support, not replace, primary eyewash units
- One gallon sealed cartridges are easy to store and offer quick changes without mixing or measuring
- Once installed saline concentrate requires 6-month maintenance cycles; unopened cartridges have a 24-month shelf life (determined by date of mfg)
- Available wire storage rack stores an additional 4 cartridges
- Nozzle strap is easily removed for hands-free flushing
- Does not meet ANSI Z358.1-2004 15-minute flushing requirement

Part Number	Description
FEN 320004000000	Fendall Flash Flood® Eyewash Station w/one Saline Cartridge
FEN 320004010000	Saline Refill Cartridge
