

Faceshields and Headgear

A

RADNOR®

A. Polycarbonate Visors

- Heavy-duty impact protection, clear polycarbonate visors are available in several sizes
- Always wear visors with primary eye protection
- Made in USA
- Meets ANSI Z87.1-2003 Standard

Part Number	Description	Size
RAD 64051052	Clear Visor	8" x 15½" x .040
RAD 64051053	Clear Visor	9" x 15½" x .040
RAD 64051054	Clear Visor	10" x 20" x .040

B. Propionate Shaded and Tinted Visors

- Propionate visors are suited for general purpose applications
- Medium or dark green tinting reduces glare and enhances vision by blocking light transmission
- For cutting, gas welding, torch brazing and soldering. Special dark green Shade 3 and Shade 5 visors protect against vision damage from infrared radiation
- Hard cap and frame sold separately
- Made in USA
- Green tint visors meet applicable requirements of ANSI Z87.1-2003 Standard
- Shade 3 and Shade 5 visors meet Z87+ Standard

Part Number	Description	Size
RAD 64051055	Medium Green Tint Visor	8" x 15½" x .060
RAD 64051056	Dark Green Tint Visor	8" x 15½" x .060
RAD 64051057	Dark Green Tint Visor	10" x 20" x .060
RAD 64051058	Shade 3 Visor	8" x 16" x .060
RAD 64051059	Shade 5 Visor	8" x 16" x .060

C. Headgear Faceshield Frame

- When no hard hat is required, the Radnor® headgear faceshield frame is a cool, comfortable way to wear a faceshield
- Features a ratchet suspension, standard spark guard and adjustability from head sizes 6½ to 8
- Visor sold separately
- Made in USA
- Meets ANSI Z87.1-2003 Standard

Part Number	Description
RAD 64051061	Headgear Faceshield Frame

D. Faceshield Frame for Caps

- Features include front drip-edge splash protection, an unlimited number of lift stop positions and a lockdown clip on the brim
- Visor and hard cap sold separately
- Attach a faceshield easily to a cap with this faceshield frame
- Made in USA
- Meets ANSI Z87.1-2003 Standard

Part Number	Description
RAD 64051062	Faceshield Frame for Caps

E. Universal Metal Foldback Frame

- Designed for use with a hard cap
- Attaches with a channel that fastens to the brim and a metal spring that wraps around the back of the cap
- Holds up well under heavy use and in elevated temperatures
- Visors and caps sold separately
- Meets ANSI Z87.1-2003 Standard

Part Number	Description
RAD 64051063	Universal Metal Foldback Frame
