A North Safety Products Brand

A. HIGH PERFORMANCE® Faceshields

- Made from Noryl®, faceshields are stronger, more durable and more heat resistant than ordinary faceshields
- Choose from a 4" or 7" deep crown protector, depending on the need
- Designed for wide vision with extended view windows and screens, providing 40% more protective area than standard windows
- Exclusive Channel Grip System mounts windows and screens and locks them in place in a deep, recessed channel to form a perfect seal, keeping dust, dirt and debris out
- Ratchet 3-C headband secures a comfortable fit
- SEI certified to meet ANSI Standards
- Windows sold separately

Part Number	Description
FIB F400	F-400 Faceshield with 4" Crown Ratchet Headband
FIB F500	F-500 Faceshield with 7" Crown Ratchet Headband

B. HIGH PERFORMANCE® Faceshields for use with Protective Caps

- Faceshields, with 4" or 7" deep crown protectors, feature the adjustable Speedy® Mounting Loop System
- Allows users to easily put the faceshield on and take it off while a protective cap is on the head
- No tools or modified caps are required, and this mounting system does not affect ANSI rating
- Windows sold separately

Part Number	Description
FIB F5400	F-400 Faceshield with Speedy® Mounting Loop
FIB F5500	F-500 Faceshield with Speedy® Mounting Loop

C. Peak Mounted Faceshields

- Fully dielectric mounting bracket provides a positive seal between protective cap or full brim hat and faceshield to keep debris from falling on wearer
- Faceshield may be pivoted above the cap or hat without removing it between uses
- Hat not included
- Windows sold separately

Part Number	Description
FIB FM70	Peak Mounted Faceshield for Cap
FIB FM71	Peak Mounted Faceshield for E-1 Hat

D. Dual Crown HIGH PERFORMANCE® Faceshields

- For full face and neck protection complete protective masks have an integrated window and 4" deep Noryl® chin guard
- FM-70 Cap Peak-Mounted Bracket
- F-400 4" deep crown protector
- F-5400 with Speedy® Mounting Loop System. Each features an injection molded, pre-formed, extended wraparound .060" thick clear propionate window. HIGH PERFORMANCE® window is lightweight, dimensionally stable, distortion-free, impact and scratch resistant. Meets ANSI Z87+ Standard

Part Number	Description
FIB FM400DCCL	F-400 Faceshield Complete with Window and Chin Guard
FIB FM5400DCCL	F-5400 Faceshield Complete with Window and Chin Guard
FIB FM70DCCL	Cap Peak-Mounted Bracket with Window and Chin Guard

E. HIGH PERFORMANCE® Faceshield Windows

- Faceshield windows are injection molded from propionate, which is superior to other window materials in every significant performance characteristic
- Pre-formed to the exact curve of crown protectors for an exact fit and a perfect seal against dust, dirt and debris
- Windows for virtually every jobsite hazard are .060" thick for an extra margin of protection
- All products other than the steel mesh screens meet ANSI Z87+ Standard
